

## *ALL THINGS NEW*

**What a wonderful year we've had at Daystar! And now we're bringing it in with a new sign, new generator, three new Board members, a new fire line, a beautiful new web site, and new ideas for our Annual Meeting.**

**YOU CAN'T MISS US NOW!**  
with this bigger, brighter sign

When our sign was damaged a couple of years ago, we began looking for new ideas to replace it. One of our Liaison Board members offered to undertake the project and thanks to him we now have a bright new sign.

**It's New, It's Blue, It's Better too --  
It's our new generator!**

Last summer when we lost power for 48+ hours, we had no air conditioning and fans did little to cool the rooms. The smaller, 25 year old generator only partially covers our electrical needs (refrigeration and minimal lighting). The new generator has a larger fuel capacity and is more powerful. The facility will have full electrical coverage, including air conditioning. Our thanks to those who have already contributed. More are welcome!

The Town of Davie Fire Department is requiring Daystar to install a new fire line which will provide a connection at a safe distance from the facility. The line will run from the back of the building across the front lawn to the entrance driveway at a cost of approximately \$24,000. Your contributions are needed and will be gratefully accepted.

Visit our new web site, [www.daystarfl.org](http://www.daystarfl.org), with links to GoodSearch and GoodBuy that give a percentage to Daystar every time they are used. As we continue developing our site we'll be adding links to various Christian Science locations.

## Introducing our new Board members

**Jolene Switzer** of Naples, Florida was elected this January to replace Lorna Wolf, whose strong metaphysics during the eight years she served, were a great support.

**Charles Mwanga** - you already know Charles as our Director of Christian Science Nursing. Now he is also on the Board of Directors.

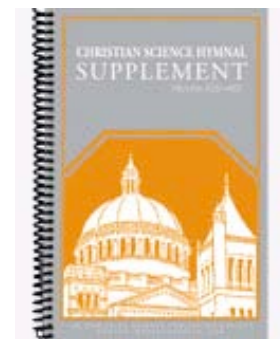

**Drexel Turner** of Fort Myers, Florida will begin his term after Annual Meeting. He is replacing Ron Love who has served the maximum of 3 three-year terms. During Ron's time on the Board he served as President and Treasurer. His "out of the box", innovative thinking will certainly be missed.

## Meet and greet the Board of Directors at the Annual Meeting in March.

Our keynote speaker is Linda Dinardo, from Venice, Florida. Linda is a Christian Science practitioner and has addressed Associations. Her inspirational talk is titled "Christian Science Nursing: A Sacred Commitment".

And we'll close out the afternoon with a hymn sing using the new Hymnal Supplement.

## We have more good news to share!

Come to the Annual Meeting and hear about the many beautiful healings taking place in our facility.

## Do you need a ride to annual meeting?

Your Liaison Board member will contact you about reserving a seat, or you can call Kathy at 954-473-0167 ext. 114. Make your plans now to come hear about all things new at Daystar. An invitation with a "Reserve a Seat" form is enclosed. Please respond by February 15.

*New ideas spring up from infinite Truth*

You are invited to **Daystar's Annual Meeting, Saturday March 20th** -- the first day of spring -- at **1:30 p.m. in First Church of Christ, Scientist, 1005 S Federal Highway, Fort Lauderdale.** Take I-95 to Broward Blvd., then east to Federal Highway (US 1) and south to the church.

For those of you who live more than an hour away, we're offering transportation. If you'd like to take advantage of this offer, please complete and return this card by February 15 to reserve a seat. We'll advise you of the time and place to meet.
